Introduction

The National Certificate: Professional Driving is an occupationally based programme for drivers carrying freight or passengers.

The qualification is aimed at drivers seeking a formal qualification and wanting to become more professional, productive and well-rounded individuals with a range of skills including driving, transport operations, planning road transport delivery, customer service and general business understanding.

The qualification builds on light vehicle driving and offers career and learning progression for those working in the commercial road transport industry as drivers. It can be used to gain entry into qualifications at an NQF level 4.

Target Audience

The qualification is aimed at individuals already working in the commercial road transport industry as drivers or those wishing to enter the sector.

Drivers transporting general freight and passengers and providing courier services will benefit from this programme.

Entry Requirements

- Competency in Communication (English) at NQF Level 2.
- Competency in Mathematical Literacy at NQF Level 2.
- A basic drivers' licence and Professional Driving Permit (PDP).

Workplace Requirements

- Access to appropriate workplace environments or already working in the transport sector.
- Access to a company vehicle.
- Active support by a mentor or supervisor.
- Access to a PC, software and the internet.

Transport & Logistics

NC: Professional Driving

TETA Certification

SAQA ID: 50285

NQF Level: 3

Credits: 149

Course Delivery & Assessment

We use in-classroom and in-workplace practical training, observation and on-the-job coaching and mentoring to embed skills.

You will need to:

- Attend all lectures and sessions and complete practical workplace experiential learning.
- Demonstrate theoretical and practical understanding of programme content.
- Participate in and contribute in group activities.
- Compile and submit a Portfolio of Evidence (PoE).

To receive the NC: Professional Driving NQF level 3, you will need to compile, submit and be found competent by constituent Assessors, Moderators and Verifiers on a Portfolio of Evidence (PoE).

Learning Outcomes

By the end of the qualification, you must be able to:

- Obtain and communicate road transport operational information.
- Assess loads against given permissible load requirements.
- Plan road transport service delivery that meets specified requirements.
- Drive a vehicle transporting a specific freight commodity or category of passenger.
